shall not be applicable for purposes of determining the Declarant Control Period as set forth in this Section 2.3.

Section 4.1. Creation of Lien and Personal Obligation of Assessment. Each Owner covenants and agrees to pay Common Property Assessments. The aforesaid assessments, together with interest, costs and reasonable attorney's fees, shall be a personal charge on each Owner and shall bind such Owner's Lot or Unit. The personal obligation for delinquent assessments shall pass to each Owner and its successors in title except for those mortgagees who have acquired title from an Owner who was a mortgagor.

Section 4.2. Basis of Assessment. Common Property Assessments shall be shared equally among Owners on a per Unit basis.

Section 4.3. Purpose of Assessments. Common Property Assessments shall be used for the establishment, improvement and maintenance of the Common Property, the payment of Common Property insurance and repair, replacement and additions thereto, reasonable reserves for replacement, the cost of labor, equipment, materials, management and supervision incurred in connection therewith, and all other costs and expenses relating thereto. Common Property Assessments shall also be used for the maintenance of utility easements benefiting more than one (1) Lot and not accepted by utility companies for maintenance.

Section 4.4. Common Property Assessments. Common Property Assessments shall be shared equally among all Members on a per Lot basis. Common Property Assessments shall be for the purpose of the establishment, improvement and maintenance of the Common Property, which shall include all landscaping and lawn service and snow removal on common area sidewalks and common area driveways on all Lots and all costs and expenses related thereto. Lawnservice shall consist of fertilizing of the lawn four (4) times each year and regular cutting. Landscaping on each Lot shall consist of yearly mulching of landscaping beds and replacement of shrubs and trees originally planted by the Declarant.

All such maintenance and improvements shall be performed exclusively by the Association or its Designated Representative. The Association and its Designated Representatives shall have a right of access to the Lots to perform all landscaping and lawn service on each Lot.

Section 4.5. Payment of Assessments. Common Property Assessments shall commence on the first day of the month following the termination of Declarant's control of the Association in accordance with Section 2.3 hereof. Assessments shall be collected and paid monthly or as may be determined by the Association. The Association may, after consideration of current maintenance costs and future needs of the Association, reduce or increase the amount of the assessments. Any amount accumulated in excess of the amounts required for actual expenses and reserves shall be credited to each Owner according to the number of months each Owner was assessed and paid in that year and shall be applied to each Owner's next installments until exhausted.

Section 4.6. Budget. At least thirty (30) days before its annual meeting, the Association shall prepare a budget covering the estimated costs of the Association during the coming year. The Association shall, in addition, fix the date of commencement and the amount of the assessment attributable to each Owner. The Association shall cause a copy of the budget and assessment to be delivered to each Owner at least thirty (30) days before the annual meeting. Except during the period of Declarant Control, the budget and the assessment shall become effective unless disapproved, at the annual meeting, by vote of at least sixty-six and two-thirds percent (66 - $\frac{2}{3}$ %) of the Members of the Association. During the period of Declarant Control, Declarant, on behalf of the Association shall adopt a budget. Declarant shall obtain qualified bids for services to be supplied to the Association and shall accept such bids as Declarant in its sole discretion considers appropriate. Following termination of Declarant Control, in the event the Association is delayed in preparing the annual estimates, the Owners shall continue to pay the monthly charges at the then-existing monthly rate established for the previous period until the same shall be determined.

Section 4.7. Effect of Non-Payment of Any Charges and Assessments – Remedies of the Association. The Association shall have a lien for unpaid assessments from the time the assessment becomes due. All assessments shall be paid within thirty (30) days after mailing of notice of assessment. Any assessment not paid within ten (10) days after the

The Treasurer of the Association shall maintain records of assessments and such records shall be binding upon all parties. In addition, Association may bring an action at law against an Owner obligated to pay the same or foreclose the lien against the Lot or Unit and there shall be added to the amount of such Assessment the costs and legal fees of preparing and filing the Complaint in such action. If a judgment is obtained, such judgment shall include interest on the assessment as provided and reasonable attorney's fees, together with the costs of the action. No Owner may waive or otherwise except liability for the assessments provided for herein by non-use of the Common Property or abandonment of the Unit.

Section 4.8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon a Lot or Unit subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of the Lot or Unit pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve the Owner of such Lot or Unit from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

Section 4.9. Reserve for Replacements. The Association shall establish and maintain a reserve fund for replacement of any part of the Common Property and facilities thereon as the Association deems appropriate. The amount shall be collected by assessment of the Owners and shall be deemed a Common Property expense. The reserve shall be kept in an interest bearing account and shall only be expended for the purpose of effecting the replacement of Common Property or community facilities and for operating contingencies of a non-recurring nature. The proportionate interest of each Owner shall be considered appurtenant to such Owner's Lot or Unit and shall not be separately withdrawn, assigned or transferred or otherwise separated from the Lot or Unit and shall be deemed to be transferred with such Lot or Unit.

The Board may appoint an Architectural Review Committee to make recommendations to the Board. In the event the Board fails to approve or disapprove such design and location within sixty (60) days after said Plans and Specifications have been submitted to it, approval shall not be required and this Article will be deemed to have been fully complied with. Section 10.13. Amendment Resulting From Requirement of Government Agencies. If Declarant is required to amend any terms of this Declaration, in order to obtain the approval of the Federal Housing Administration and/or the Department of Housing and Urban Development and/or the Veterans Administration and/or the Federal National Mortgage Administration to the terms and conditions of this Declaration, Declarant may do so without any further consent or approval of any Owners. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter a Lot or Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board.
